

ÖAW - Forschen für die Welt von morgen

As a central non-university institution for science and research, the **Austrian Academy of Sciences - OeAW** has the task of "**promoting science in every respect**". Founded in 1847 as a learned society, it now has over 760 members and around 1,800 employees dedicated to innovative basic research, interdisciplinary knowledge exchange and the dissemination of new insights. The OeAW initiates and maintains partnerships worldwide and represents Austria in international scientific organizations; it cooperates with numerous institutions in the scientific field in order to actively shape the **research landscape**.

PRAEDOC (F/M/X)

Job ID: RICAM035DOC225

The Johann Radon Institute for Computational and Applied Mathematics (RICAM) of the Austrian Academy of Sciences (OeAW), Austria's leading non-university research and science institution in Applied Mathematics, is offering a

PRAEDOC (F/M/X).

(Part-time employee)

in the research group “**Computational Methods for Partial Differential Equations**”. The position is offered for a period of three months, starting on May 1st, 2025.

Ihr Aufgabenbereich

The position is affiliated with the research group “Computational Methods for Partial Differential Equations” (led by Prof. Herbert Egger) at RICAM, located in Linz/Austria.

The successful candidate will work on analytical or numerical methods motivated by applications from engineering or life sciences.

Ihr Profil

- MSc degree in applied mathematics.
- Strong background in analysis, computational methods for partial differential equations, numerical analysis, and optimization with partial differential equations.
- Excellent knowledge of English language.

Unser Angebot

- Excellent opportunities to work in a lively research environment and collaborate with international experts in the fields related to the research topic.
- An annual gross salary of € 39.208,79, according to the collective agreement of the Austrian Academy of Sciences.

Please apply online including a scientific CV and a short research statement **no later than June 30th, 2025.**

JETZT BEWERBEN

Die Österreichische Akademie der Wissenschaften (ÖAW) verfolgt eine diskriminierungsfreie Beschäftigungspolitik und legt Wert auf Chancengleichheit sowie Vielfalt. Insbesondere Personen aus unterrepräsentierten Gruppen werden ausdrücklich ermutigt, sich zu bewerben.
