

OeAW - Discovering the future

As a central non-university institution for science and research, the **Austrian Academy of Sciences - OeAW** has the task of "**promoting science in every respect**". Founded in 1847 as a learned society, it now has over 760 members and around 1,800 employees dedicated to innovative basic research, interdisciplinary knowledge exchange and the dissemination of new insights. The OeAW initiates and maintains partnerships worldwide and represents Austria in international scientific organizations; it cooperates with numerous institutions in the scientific field in order to actively **shape the research landscape**.

Postdoc (f/m/x)

Job ID: IQOQVIE072PD126

The Institute for Quantum Optics and Quantum Information Vienna (IQOQI-Vienna) of the Austrian Academy of Sciences (ÖAW), Austria's leading non-university research and science institution, is offering a position as

Postdoc (f/m/x)

in the research group “Gravitational Quantum Physics” led by Markus Aspelmeyer (for details please visit: Aspelmeyer Group).

Your Tasks

- Experimental research in the field of gravitational quantum physics.
- Supporting the team with analytical and numerical tools for data analysis.
- Being involved in various administrative and academic tasks.

Your Profile

- Completed PhD studies in physics
- Previous research experience and a scientific track record reflecting your level of seniority
- Experience in supervising students and writing project proposals

Our Offer

- A position in an innovative and internationally active environment crucial to success
- Numerous voluntary social benefits
- Flex time arrangement
- Opportunity to work independently and develop personally

Interested candidates are invited to submit:

- A detailed curriculum vitae including a full list of peer-review publications
- Research statement
- PhD certificate
- The electronic (email) contact details of at least two potential referees

The minimum annual gross salary for this position is EUR 70.167,44 (full-time based), in accordance with the collective agreement of the Austrian Academy of Sciences (ÖAW). For

part-time employment, the salary will be adjusted on a pro rata basis in line with the agreed working hours.

APPLY NOW

The Austrian Academy of Sciences (OeAW) pursues a non-discriminatory employment policy and values equal opportunities, as well as diversity. Individuals from underrepresented groups are particularly encouraged to apply.
