

OeAW - Discovering the future

As a central non-university institution for science and research, the **Austrian Academy of Sciences - OeAW** has the task of **"promoting science in every respect"**. Founded in 1847 as a learned society, it now has over 760 members and around 1,800 employees dedicated to innovative basic research, interdisciplinary knowledge exchange and the dissemination of new insights. The OeAW initiates and maintains partnerships worldwide and represents Austria in international scientific organizations; it cooperates with numerous institutions in the scientific field in order to actively **shape the research landscape**.

Postdoc (f/m/x) in the Optimization and Optimal Control Group

Job ID: RICAM036PD125

The Johann Radon Institute for Computational and Applied Mathematics (RICAM) of the Austrian Academy of Sciences (OeAW), Austria's leading non-university research and science institution in Applied Mathematics, is offering a position as

Postdoc (f/m/x) in the Optimization and Optimal Control Group .

(Full-time employee)

for an initial period of one year, with starting date to be arranged.

Your Tasks

The full-time position is affiliated with the Optimization and Optimal Group at RICAM, located in Linz/Austria.

The hired person will work on optimization and optimal control related to partial differential equations with emphasis on new developments related to machine learning and data science.

Your Profile

- Doctorate related to the above requirements
- Strong background in optimization and partial differential equations
- Strong background in numerical mathematics and computing
- Machine learning skills are welcome
- English skills needed

Our Offer

- Excellent opportunities to work in a lively research environment and collaborate with international experts in the fields related to the project.
- An annual gross salary of € 69.028,40, according to the collective agreement of the Austrian Academy of Sciences.

Please apply online including a personal and scientific data and a brief statement about scientific interests and achievements. The position will be open until adequately filled.

JETZT BEWERBEN

The Austrian Academy of Sciences (OeAW) pursues a non-discriminatory employment policy and values equal opportunities, as well as diversity. Individuals from underrepresented groups are particularly encouraged to apply.
