

## OeAW - Discovering the future

As a central non-university institution for science and research, the **Austrian Academy of Sciences - OeAW** has the task of "**promoting science in every respect**". Founded in 1847 as a learned society, it now has over 760 members and around 1,800 employees dedicated to innovative basic research, interdisciplinary knowledge exchange and the dissemination of new insights. The OeAW initiates and maintains partnerships worldwide and represents Austria in international scientific organizations; it cooperates with numerous institutions in the scientific field in order to actively **shape the research landscape**.

## POSTDOC POSITION (F/M/X)

Job ID: IGF026PD225

The Austrian Academy of Sciences (OeAW), Austria's leading non-university research and science institution, is offering a Position as

**POSTDOC POSITION (F/M/X)**

(Part-time employee)

## Your Tasks

- Design and conduct the chronosequencing field survey according to the standards in the forefield of Hallstätter glacier
